

Terms and Conditions participation PBWN Event

Before you attend our networking event we ask you to take the following into consideration.

Social media sharing

We appreciate it when you take pictures and share them on social media. However, we also want to make sure that it shows the quality of our network.

- Pictures of you in front of our banner are OK
- Always ask people's permission to share
- Show pictures with multiple people
- Be aware of not showing empty seats
- Please use the hashtag #PBWN
- Making and sharing video's is not allowed. People in the room pay for the content that is shared.

We are completely convinced of the quality that our network offers to you and we also have to be aware of our positioning to those who do not attend this time.

Whenever we start a new chapter in a new city the situation may occur that there is not a large group of members in the beginning. Which is perfectly fine when you know how we work. But when people outside the event see pictures with a few women and empty seats that is no good positioning for us. Please take that into consideration and don't post these kinds of pictures.

The formula of our events

Our formula which we use during our networking events is completely unique and sadly has already been copied.

You hereby agree that you will not copy or introduce any of the items we present to you during our networking event after you attended in any other networking group that you might start or have of your own already.

We don't believe in competition because we are all about sharing, stealing our successful formula is something we will not tolerate.

The Hotseats.

During the hot seat sessions, sensitive information might be shared by the woman on the hot seat. You hereby agree that you will, under no circumstance, bring this information out of the room. What is said there will stay there.
